De Rigo Refrigeration joins Eurovent

Brussels, Belluno, 04 July 2023. De Rigo Refrigeration, one of the leading Italian manufacturers of commercial refrigeration units and cells has officially joined the Eurovent family as the association's newest Corresponding Member.

De Rigo Refrigeration manufactures remote and plug-in refrigeration cabinets, cold rooms and refrigeration rack systems which are designed for maximum system performance. Founded in 1965, with its initial production of plug-in refrigerated counters and cold rooms, De Rigo has been present in the commercial refrigeration sector, with products designed and manufactured exclusively in Italy.

Mr Marco Miatton, Technical Manager at De Rigo Refrigeration, remarked: "We are very happy to have become an integral part of Eurovent. We think it is an important step for our customers and for our company. We are confident that we can contribute to an important European vision. Finally, being able to establish a training dialogue with all the most important producers to continue with a future of sustainability dictated by common objectives."

Is your organisation interested in becoming a member of our globally known industry association? All relevant information is available at www.eurovent.eu. In case of any questions, contact the Eurovent Team via secretariat@eurovent.eu.

About Eurovent

Eurovent is Europe's Industry Association for Indoor Climate (HVAC), Process Cooling, and Food Cold Chain Technologies. Its members from throughout Europe represent more than 1.000 organisations, the majority small and medium-sized manufacturers. Based on objective and verifiable data, these account for a combined annual turnover of more than 30bn EUR, employing around 150.000 people within the association's geographic area. This makes Eurovent one of the largest cross-regional industry committees of its kind. The organisation's activities are based on highly valued democratic decision-making principles, ensuring a level playing field for the entire industry independent from organisation sizes or membership fees.

Our Member Associations

Our Member Associations are major national sector associations from Europe that represent manufacturers in the area of Indoor Climate (HVAC), Process Cooling, Food Cold Chain, and Industrial Ventilation technologies.

The more than 1.000 manufacturers within our network (Eurovent 'Affiliated Manufacturers' and 'Corresponding Members') are represented in Eurovent activities in a democratic and transparent manner.
