Who we are:

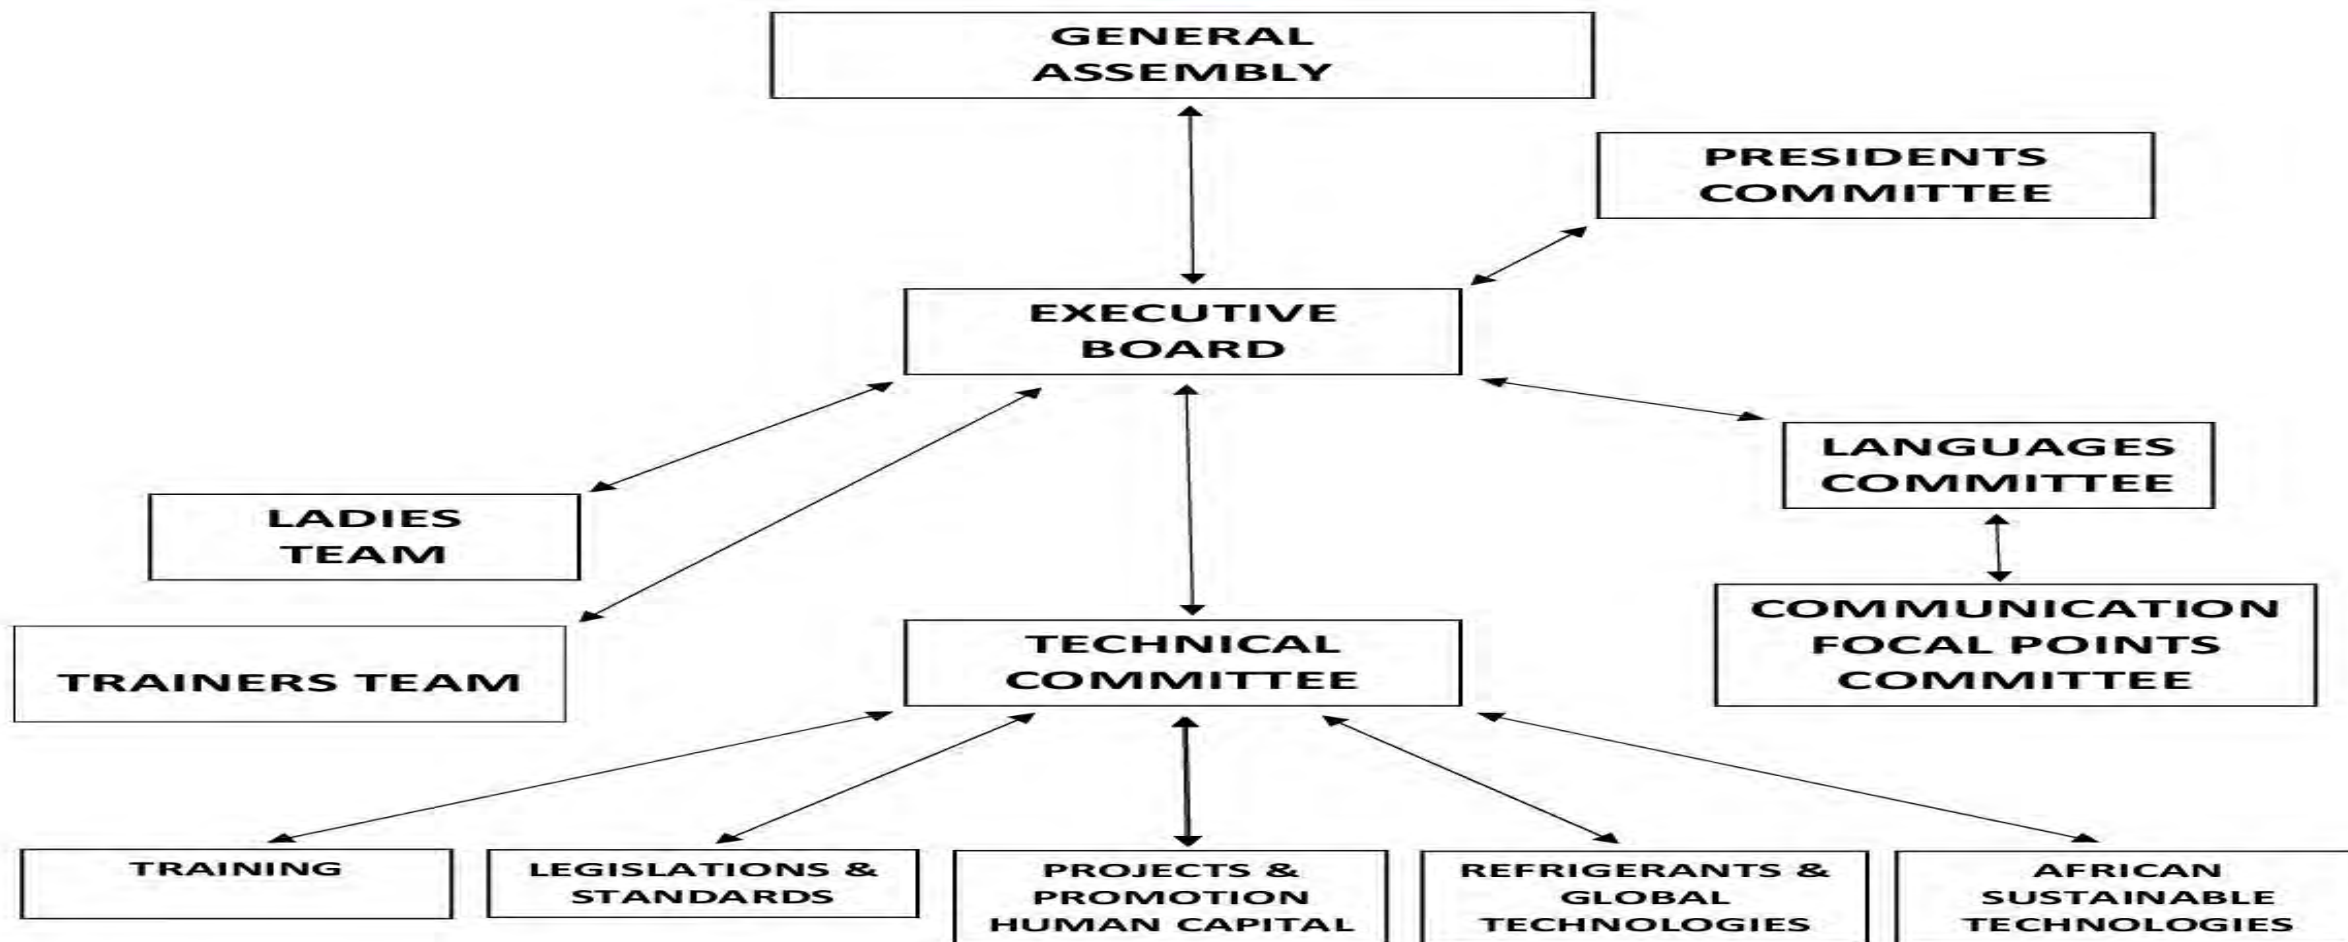

STRUCTURE	PSEUDO	PAYS
Association Marocaine des Professionnels du Froid	AMPF	MAROC
Association des Professionnels de Froid du Niger	APFN	NIGER
Association Burundaise de Froid	ABF	BURUNDI
Association Tunisienne de Réfrigération et de Climatisation	ATRC	TUNISIE
Association Congolaise des Professionnels du Froid et de la Climatisation	ACOPROF	RD CONGO
Association des Frigoristes du Togo	AFRITO	TOGO
Association des Professionnels et acteurs du Froid et de la Climatisation	APFC	BURKINA FASO
Association des Ingénieurs et Techniciens Frigoristes du Burkina	AITFB	BURKINA FASO
Association Nationale du Froid et de la Climatisation du Benin	ANFCB	BENIN
Association des Frigoristes et Climaticiens Ecologistes de Djibouti	AFRICLED	DJIBOUTI
Union Nationale des Techniciens Professionnels de Froid de Côte d'Ivoire	UNTFP-CI	COTE D'IVOIRE
Association des Frigoristes du Tchad	AFT	TCHAD
Nigeria Association of Refrigerator & Air-Conditioners Practitioners	NARAP	NIGERIA
Zimbabwe Refrigeration and Air Conditioning Association	ZRAA	ZIMBABWE
Refrigeration and Airconditioning Association of Zambia	RAAZ	ZAMBIA
Lesotho Association of Refrigeration and Air conditioning Companies	LARAC	LESOTHO
Association des Techniciens Professionnels du Froid du CABO VERDE	ATPFS	CAPE VERT
Rwanda Heating Ventilation Airconditioning and Refrigeration Cooperative	R-HVAC-RC	RWANDA
Uganda National Association of Refrigeration and Air-conditioning	UNARA	UGANDA
Association of Heating, Refrigeration and Air Conditioning Engineers-Kenya	HEVACK	KENYA
Association des Frigoristes du Mali	AFRIMA	MALI
Association des Frigoristes du Congo	AFC	CONGO
Organisation Corporative de l'Industrie du Froid - Guinée	OCIF - GUINEE	GUINEE
Association des Frigoristes Comoriens	AFC	COMORES
Union des Frigoristes de Madagascar	UFM	MADAGASCAR
Gambia Refrigeration and Air-Condition Service Support	GRASS	GAMBIA
Tanzania Refrigeration and Air Conditioning Association	TRACA	TANZANIA
Fédération Nationale PROfessionnel du Froid	FNPROF	SENEGAL
National Air conditioning and Refrigeration Workshop Owners Association	NARWOA	GHANA
Association de Professionnels de Froid et Climatisation du Cameroun	APFCC	CAMEROUN
Associação dos Engenheiros e Técnicos de Frio	ATEF	GUINEE BISSAU
Associação Moçambicana dos Técnicos de Refrigeração e Ar Condicionado.	AMOTRAC	MOZAMBIQUE
Egyptian Refrigeration and Air conditioning Forum	ERAF	EGYPT
South African Refrigeration and Air conditioning Association	SARACCA	SOUTH AFRICA

Executive Board

Name & Surname	Fonction
Mr. SAKANDE MADI	President (Burkina Faso)
Mr. EYARMWEN NKIE AKAN ADLAIN	Vice-President (RD Congo)
Mr. AMOUSSOU KOUASSI LUCIEN	Secretary General (Benin)
Mr. SAID EL HARCH	Deputy Secretary General (Morocco)
Mr. KATILE LASSINE	General Treasurer (Mali)
Mr. NGOMA STEPHEN	Deputy General Treasurer (Zambia)
Mr. SEBURIKOKO BASILE	Secretary in charge of communication and external relations (Rwanda)
Mr. GEORGE NJER	Deputy Secretary in charge of communication and external relations (Kenya)
Mrs. RAOUDHA MASSAOUDI	Secretary in charge of women's mobilization for the refrigeration and air conditioning professions (Tunisia)

Objectives of U-3ARC (1):

- Disseminating best practices in the area of refrigeration;
- Developing training program on refrigeration, in both formal and non-formal settings:
- Creating a website with a register of refrigeration technicians. schools, institutes and other actors in the refrigeration sector;
- Stimulating access by African professionals to new technologies;
- Fostering solidarity among refrigeration specialists, organizing refresher and upgrading courses for technicians;
- Arranging cooperation with higher institutes providing training on refrigeration, developing cooperation relations with international refrigeration specialist networks,

Objectives of U-3ARC (2):

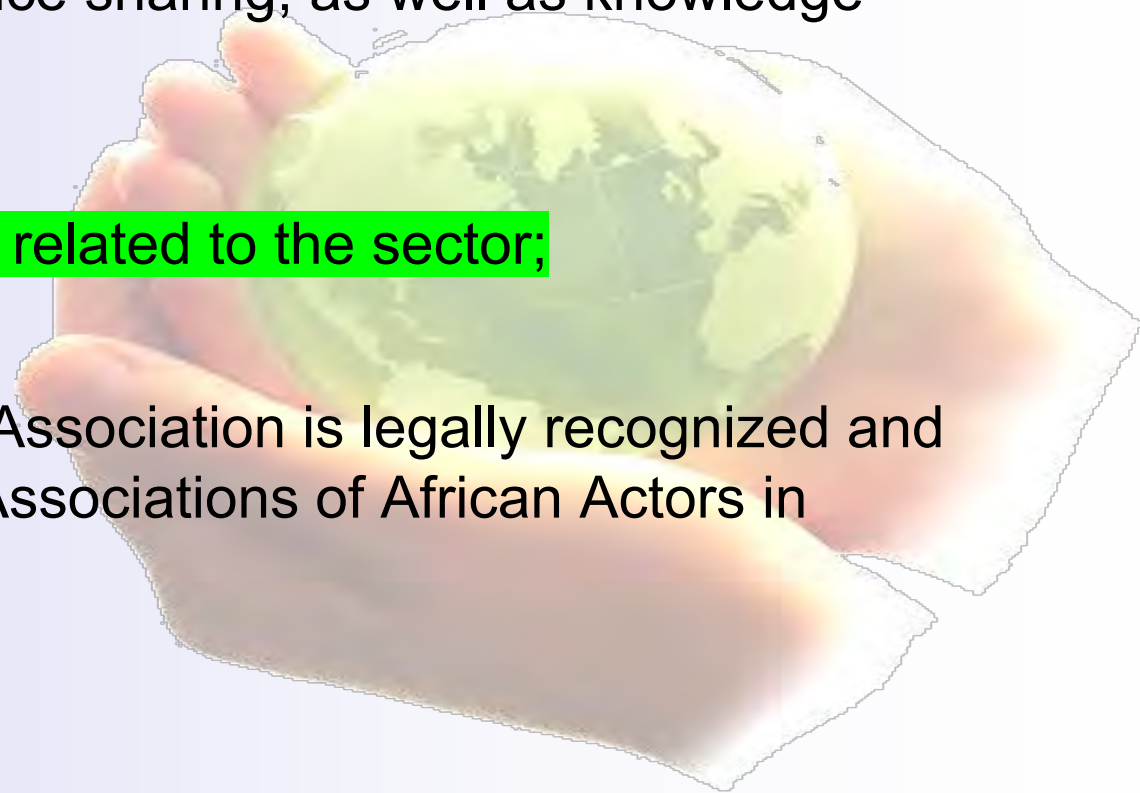

- Labeling refrigeration works and creations, encouraging the participation of professionals to international fairs and forums, empowering African expertise;
- Working towards improving the environment by encouraging the use of neutral substances and controlling greenhouse gas emissions;
- Promoting energy efficiency;
- Working towards promoting gender and women mobilization for refrigeration and air conditioning business;
- Supporting and adopting general interest international measures for the development of the sector;

Objectives of U-3ARC (3):

- Making sure that any event hosted by the Association is a crucial meeting place for the sector;
- Supporting technical information and experience sharing, as well as knowledge sharing among its members;
- Encouraging and participating in joint projects related to the sector;
- Joining any other AISBL, provided that such Association is legally recognized and has same goals as the goals of the Union of Associations of African Actors in Refrigeration and air Conditioning.

U-3ARC ACTIVITIES PROGRAM:

ACTIVITIES - ACTIVITES	GROUP - GROUPE
<p>1 - Take stock of the situation through a census of refrigeration professionals in each of the member countries of U-3ARC on the one hand, and assess their level of practice in the profession on the other hand.</p>	1
<p>1- Faire l'état des lieux à travers un recensement des professionnels du froid dans chacun des pays membres de U-3ARC d'une part, et évaluer leur niveau d'exercice du métier d'autres part.</p>	1
<p>2- Proceed with the brief development of the state of education, exploitation, refrigeration, and air conditioning technology in each of the member countries.</p>	2
<p>2- Procéder à l'élaboration succincte de l'état de l'enseignement, de l'exploitation, de la technologie du froid et de la climatisation, dans chacun des pays membres.</p>	2

U-3ARC ACTIVITIES PROGRAM:

<p>3- Contact the political and administrative authorities of each member country to bring U-3ARC to their attention, presenting them with the association and its constituent documents.</p>	
<p>3- Prendre contact avec les autorités politico-administratives de chaque pays membre pour porter U-3ARC à leur connaissance, en leur présentant l'association et ses documents constitutifs.</p>	3
<p>4- Take all appropriate measures to motivate women to take an interest in the profession of refrigeration and air conditioning.</p>	
<p>4- Prendre toutes les mesures idoines pour motiver la gente féminine à s'intéresser au métier du froid et de la climatisation.</p>	4

U-3ARC ACTIVITIES PROGRAM:

5- Bring countries that already have a National Association for Refrigeration and Air Conditioning to join U-3ARC.

5

5- Amener les pays disposant déjà d'une Association Nationale du Froid et de Climatisation à adhérer à l'U-3ARC.

6- Help countries that do not yet have a National Association to create and promote their membership in U-3ARC

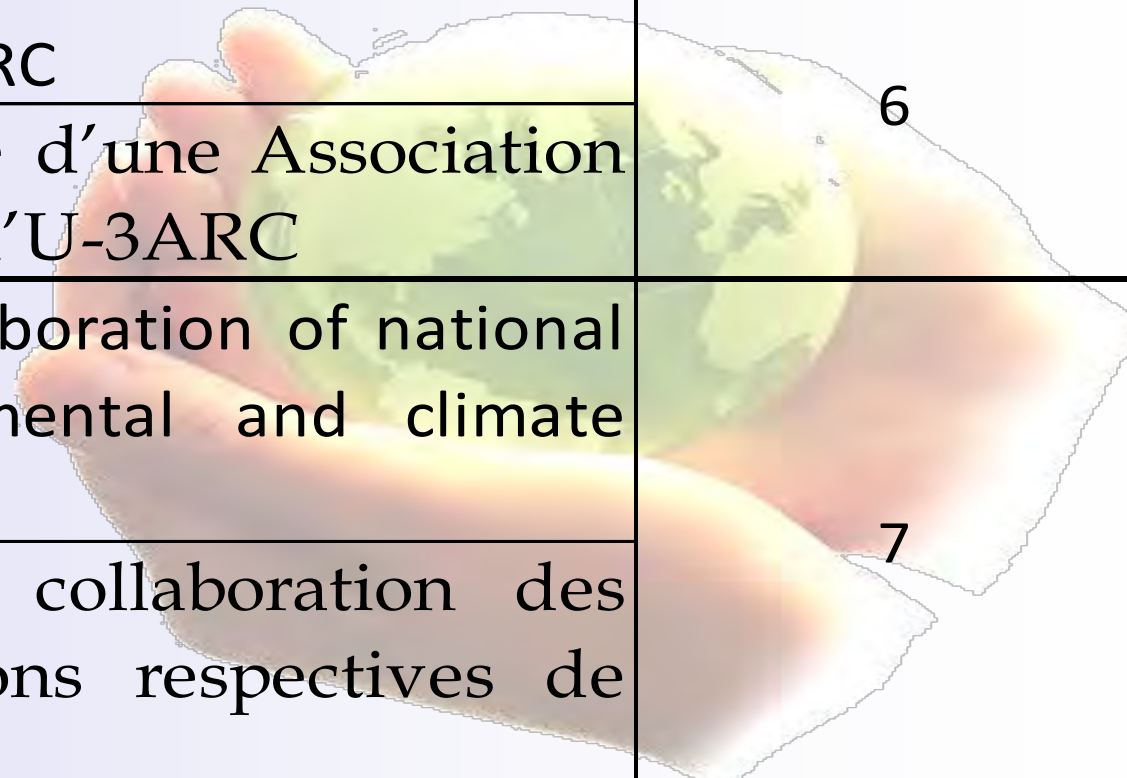

6

6- Aider les pays ne disposant pas encore d'une Association nationale à créer et suscité leur adhésion à l'U-3ARC

7- Restructure at the African level, the collaboration of national associations with the respective environmental and climate directorates.

7

7- Restructurer au niveau africain, la collaboration des associations nationales avec les directions respectives de l'environnement et du climat.

U-3ARC ACTIVITIES PROGRAM:

8- Develop capacity building programs in the field of refrigeration and air conditioning at the place of African refrigeration technicians periodically every year.

8

8- Elaborer des programmes de renforcements de capacités dans le domaine du froid et de la climatisation à l'endroit des frigoristes africains de façon périodique chaque année.

9- Define the modalities and help associations to organize certification exams for refrigeration technicians in every member country.

9

9- Définir les modalités et aider les associations à organiser les examens de certification des frigoristes dans chaque pays membre en collaboration avec les structures publiques

U-3ARC ACTIVITIES PROGRAM:

<p>10- Work to develop a regulation of the profession in all its dimensions.</p>	
<p>10- Œuvrer à l'élaboration d'une réglementation de la profession dans toutes ses dimensions.</p>	10
<p>11/ Use photos of all members (a hundred) by making a video with a start message, scrolling 2 photos/second and an end message. The total duration of the video will be 90 seconds and will be relayed by all members on social networks until it goes viral.</p>	11
<p>11/ Utiliser les photos de tous les membres (centaine) en faisant une vidéo avec un message de début, défilement de 2 photos /seconde et un message de fin. La durée totale de la vidéo sera de 90 secondes et qui sera relayée par tous les membres sur les réseaux sociaux jusqu'à devenir virale.</p>	

U-3ARC ACTIVITIES PROGRAM:

12/ The same video message said by each President whose duration does not exceed 10 seconds, these videos of 10 seconds each grouped in a single video with a start message and an end message.

12

12/ Un même message vidéo dit par chaque Président dont la durée ne dépasse pas 10 secondes, ces vidéos de 10 secondes chacune regroupées dans une seule vidéo avec un message de début et un message de fin.

13/ Use the union logo in our profile photos of WhatsApp, Facebook etc. and this for all members for a fixed period.

13/ Utiliser le logo de l'union dans nos photos profils de WhatsApp, Facebook etc. et ceci pour tous les membres pour une durée bien déterminée.

13

U-3ARC ACTIVITIES PROGRAM:

Activity n°11

U-3ARC ACTIVITIES PROGRAM:

Activity n°12

TECHNICAL COMMITTEE GROUPS

- TRAININGS
- LEGISLATIONS & STANDARDS
- PROJET & PROMOTION HUMAN CAPITAL
- REFRIGERANTS & GLOBAL TECHNOLOGIES
- AFRICAN SUSTAINABLE TECHNOLOGIES

LET'S WORK FOR AFRICA!!!!

**REFRIGERATION IS THE KEY FOR
SUSTAINABLE DEVELOPMENT!**

Thanks!!!

Madi Sakandé
