

EUROVENTSUMMIT 2018

EUROVENT
Sevilla **SUMMIT**
25-28 SEP 2018

¡Viva La Conectividad!

Symposium of the Spanish HVAC and Refrigeration Industry Preliminary programme

Part 1 (09:15-11:00h)

Time	Topic	Speaker
09:15-09:30h	Opening of the Spanish Industry Symposium	<u>Natalia González Hereza</u> General Director Energy and Mines Industry of Andalusia
09:30-09:35h	Introduction and presentation of guest speakers	AEFYT / AFEC
09:35-09:55h	The importance of certified products	<u>Marie-Clémence Briffaud</u> Project Development Manager Eurovent Certita Certification
09:55-10:15h	Ecodesign and Energy Labelling Directives for Display Cabinets	<u>Jesús Beraza</u> Vice-Chairman Eurovent Product Group 'Commercial Refrigeration Equipment' (PG-RDC)
10:15-10:35h	Building Technical Code and Nearly Zero Energy Buildings	<u>Luis Vega</u> Coordinator Sustainable Building Unit, Ministry of Development
10:35-11:00h	Colloquium – Q&A	
11:00-11:30h	Coffee break	

Part 2 (11:30-13:00h)

Time	Topic	Speaker
11:30-11:35h	Introduction and presentation of guest speakers	AEFYT / AFEC
11:35-11:55h	Standardisation as a Key Tool for the Competitiveness of Companies	<u>Paloma García</u> Director of Standardisation and Interest Groups UNE (Spanish Association of Standardization)
11:55-12:15h	[Topic to be defined]	<u>Marcos Prieto</u> Managing Director ebm-papst Ibérica
12:15-12:35h	Subsidies for Renewable Energy and Heat Pumps	<u>Carmen López Ocón</u> Chief of Hydro-electrics, Sea Energy and Geothermic Department IDAE (Spanish Institute for Diversification and Energy Saving)
12:35-13:00h	Colloquium – Q&A	
13:00-14:00h	Lunch break	

Part 3 (14:00-15:30h)

Time	Topic	Speaker
14:00-14:05h	Introduction and presentation of guest speakers	AEFYT / AFEC
14:05-14:25h	Certified Display Cabinets: Advantages for Supermarkets and Store Owners	<u>Diego Ortega</u> Technical Committee Representative AEFYT
14:25-14:45h	Refrigerants and Heat Pumps	<u>Eduardo González</u> Subdirector Spanish Office for Climate Change (OECC)
14:45-15:05h	New Safety Regulation for Refrigeration Installations:	<u>Emilio Almazán</u>

	Main Changes	Chief of Service General Sub-direction of Industrial Quality and Safety, Ministry of Industry, Commerce and Tourism
15:05-15:30h	Colloquium – Q&A	
15:30-16:00h	Coffee break	

Part 4 (16:00-17:30h)

Time	Topic	Speaker
16:00-16:05h	Introduction and presentation of guest speakers	AEFYT / AFEC
16:05-16:25h	Exploitation of synergies between industrial refrigeration and air conditioning installations	<u>Javier Cano</u> Technical Committee Representative AEFYT & AFEC
16:25-16:45h	The use of connectivity to optimise HVAC/R systems	<u>Miriam Solana</u> HVAC/R Engineer CAREL
16:45-17:05h	Actuations of Energy Efficiency in the Administration related to Heat Pumps	<u>Francisco Arévalo</u> Chief of the Energy Management Department in the Public Administration Andalusian Energy Agency
17:05-17:25h	Colloquium – Q&A	
17:25-18:00h	Closing remarks
