Register now for 2022 Eurovent Summit in Antalya

Brussels, Antalya, 28 July 2022. Registration and programme of the Eurovent Summit are live. The next gathering for decision-makers in the area of Indoor Climate, Process Cooling and Food Cold Chain Technologies will take place 25-28 October in Antalya, Türkiye.

The 2022 **EUROVENTSUMMIT** connects 500+ industry leaders from Europe and international markets throughout 40+ seminars, meetings, and events. The event offers a unique side programme and experiences that go beyond the usual conference experience. It is co-organised by Eurovent, Eurovent Certification, Eurovent Market Intelligence, COPILOT, PRODBIM and the Turkish association ISKID. The event is supported by multiple sponsors, including UL Solutions, Baltimore Aircoil Company, CEIS and J2 Innovations, as well as many other Turkish and international organisations. In line with current industry and international developments, this year's main theme is **#BuildingBridges**.

Raul Corredera Haener, President of Eurovent, stated: "After several successful editions of the **EUROVENTSUMMIT** in Berlin, Krakow and Seville, I have the honour of inviting all major industry stakeholders to the next edition of our flagship event. This year will see a particular focus on **#BuildingBridges** between manufacturers and consultants, planners, installers, trade associations and policy makers, between Europe, the East and beyond, towards more sustainable and circular products, and towards more socially and environmentally responsible industry. Join us in Antalya for a truly visionary experience."

Highlights include the [Eurovent Innovation/HUB](#) focused on the link between innovation and sustainability, a high-level policy panel presenting visions for the future of product efficiency from different stakeholders, a special honorary event 'Legends of Eurovent', a panel discussion on the future of industry exhibitions in the post-pandemic world, and a parallel seminar programme in organised by [ISKID](#) and [TTMD](#) (in English and Turkish).

Tickets for the 2022 **EUROVENTSUMMIT** can now be purchased at www.eurovent-summit.eu – same as the last times, affordable and not-for-profit oriented. Hotel rooms at the dedicated Summit Akra Hotel are available on a first-come, first-serve basis via [this link](#).

About Eurovent

Eurovent is Europe's Industry Association for Indoor Climate (HVAC), Process Cooling, and Food Cold Chain Technologies. Its members from throughout Europe represent more than 1.000 organisations, the majority small and medium-sized manufacturers. Based on objective and verifiable data, these account for a combined annual turnover of more than 30bn EUR, employing around 150.000 people within the association's geographic area. This makes Eurovent one of the largest cross-regional industry committees of its kind. The organisation's activities are based on highly valued democratic decision-making principles, ensuring a level playing field for the entire industry independent from organisation sizes or membership fees.

Our Member Associations

Our Member Associations are major national sector associations from Europe that represent manufacturers in the area of Indoor Climate (HVAC), Process Cooling, Food Cold Chain, and Industrial Ventilation technologies.

The more than 1.000 manufacturers within our network (Eurovent 'Affiliated Manufacturers' and 'Corresponding Members') are represented in Eurovent activities in a democratic and transparent manner.
